**Re: Thank you**

Dear Mr. Poniatowski and the Trustees of Fondation ARPE,

On behalf of the Jerusalem Academy of Music and Dance, I would like to thank you for your contribution towards scholarships of excellences at the Jerusalem Academy of Music and Dance. Thanks to your support, the most talented students could focus on their studies and complete their studies successfully this year.

Thanks to supporters, such as yourselves, the Academy can continue to provide students with the financial aid they need to become the promising artists of tomorrow. With your help, JAMD can continue nurturing Israel's leading composers, conductors and musicians. I hope we can look forward to additional support from the Fondation ARPE for the 2019/20 school year.

In gratitude,

Joe Brown Leer
