Dear ARPE,

Thank you for your contribution to The Bibi Fund in support of Solving Kids' Cancer. Solving Kids' Cancer (SKC) is committed to improving survivorship of the deadliest childhood cancers and your gift will make an impact toward that goal in Bibi's honor.

All donations are used to find, fund, and manage innovative clinical trials and scientific programs to rapidly develop the most effective treatments toward cures.

Studying one new experimental treatment through a clinical trial at just one cancer center has the potential to change the whole treatment paradigm for children fighting cancer worldwide. SKC focuses on establishing clinical trials of novel experimental treatments from the leading edge of today's oncology research. Please visit our website at www.solvingkidscancer.org to learn more about our work.

Thank you. Your contribution gets us closer to real cures.

Appreciatively,

The Niedzielski Family (Bianca, Stella Gisela and Michael)
and Scott Kennedy, Co-Founder, Solving Kids' Cancer
