Dear Mr + Mrs Poniatowski

Thank you for your generous donation to The Photographers' Gallery, which we gratefully received. Your support is incredibly precious to us at the current time, enabling us to continue to champion photography for everyone through our education initiatives, our exhibitions and events programme and our promotion of emerging talent.

The Photographers' Gallery was founded in London's Covent Garden in 1971 as the first publicly funded gallery in the UK dedicated to the photographic medium. From the outset the Gallery has been instrumental in promoting photography's value to the wider world and ensuring its position as one of our most significant artforms. Over the years we have introduced such international photographers as Juergen Teller, Sebastião Salgado, Dave Heath, Rinko Kawauchi, Roman Vishniac, Andreas Gursky and Taryn Simon to British audiences, whilst also championing the work of UK-based practitioners including Martin Parr, Shirley Baker, Zineb Sedira and Corinne Day.

Consistently pushing the boundaries of form and presentation, and now in its 50th year, The Photographers' Gallery continues to lead the way in championing photography for the widest possible audiences with the aim to increase public engagement with, and awareness of, this universally relevant and inclusive medium. The precious support by Foundation ARPE enables us to continue being a driving force of debate and new thinking around the role of the photographic image in society, today as well as in the future.

Education and inclusion is at the heart of everything we do and we pride ourselves on having innovative learning, diversity and excellence at our core. Thanks to your support we will be able to reach new audience and showcase the power of photography.

We are incredibly thankful for your generous support in our anniversary year and we look forward to welcoming you to the Gallery again soon.

With renewed thanks and best wishes,
